*The average annual income in 2012 for the Business Leader ranks ranged from \$9,847 for Directors to \$672,105 for Presidential Master Coordinators. Average annual income for each rank is calculated monthly based on information reported on Form 1099-MISC for all U.S. Business Leaders who achieved the rank that month. The sum of these monthly averages is the figure reported. Results will vary with effort. Shaklee Corporation does not guarantee that any particular income level will be achieved.

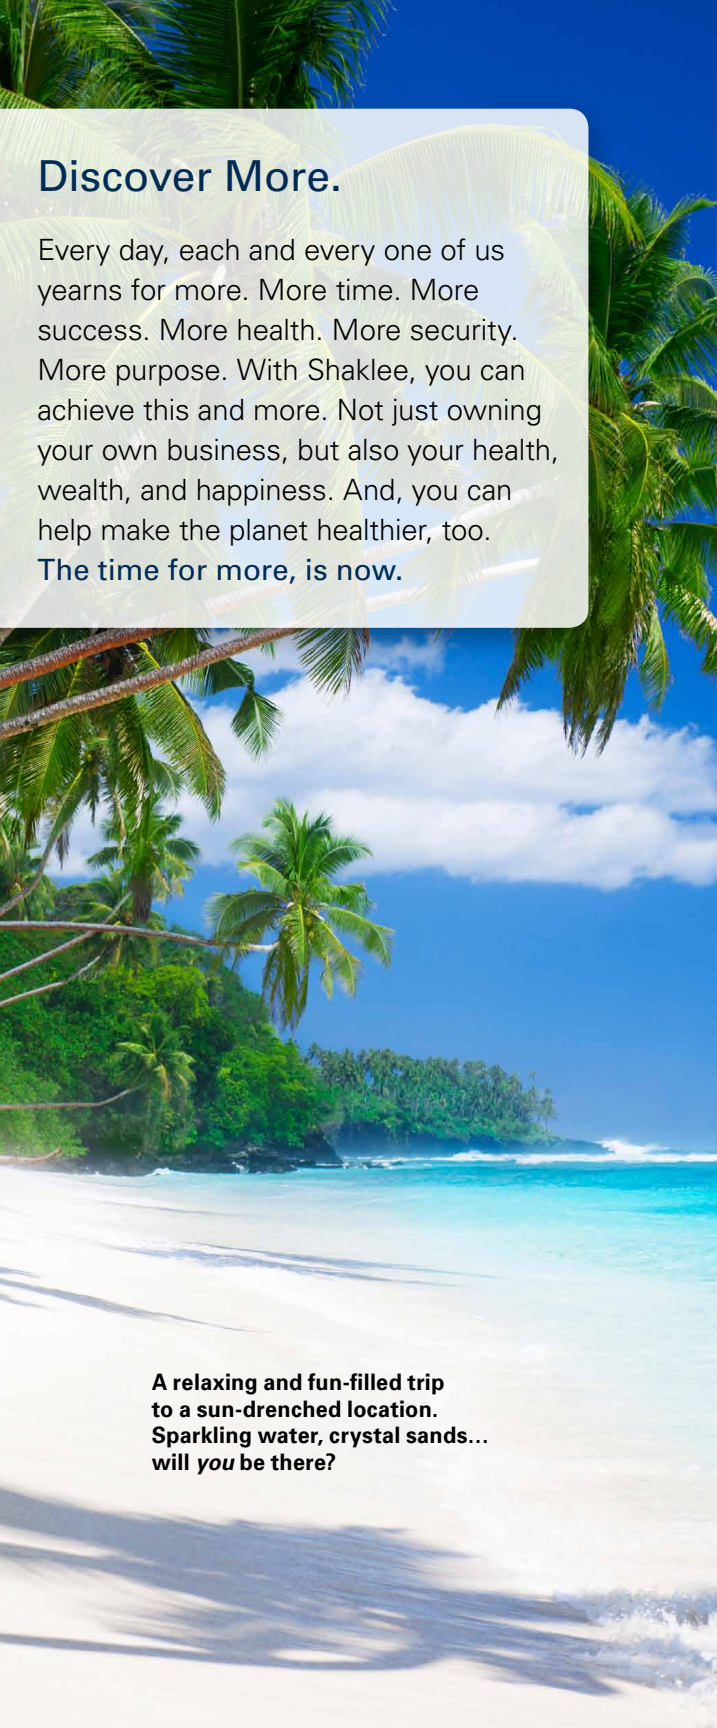

**Two Master Coordinator legs are required.

†For qualification of FastTRACK rewards at the Coordinator, Senior Coordinator, and Executive Coordinator ranks, additional requirements apply. For FastTRACK Coordinator, an OV total of 5000 must be achieved. For FastTRACK Senior Coordinator and Executive Coordinator, OV Outside Largest Leg of 5000 OV and 10,000 OV, respectively, must be achieved.

††FastTRACK cash bonuses at these ranks are paid over time. See official FastTRACK rules at MyShaklee.com for details.

*When you achieve these ranks on FastTRACK, you will likely qualify for these trips, but full requirements must be met through our Points Program to be fully qualified.
